

Waverly Welcome Home

Brand Integration with Community Business Marketing

Overview

Waverly Welcome Home is a community branding and marketing initiative that serves three purposes:

- To respond to the needs of Waverly employers to recruit workers to fill job openings.
- To attract new residences to move to Waverly.
- To create a sense of place that encourages visitors to experience Waverly and see how the community welcomes them and makes it feel like home.

Positioning Statement

Whether you want to relocate to Waverly or simply experience our amazing hospitality and events, our community creates a safe, welcoming place for you to call home for a day, a year, or a lifetime. Waverly is home to great schools, diverse job opportunities, amazing recreation, and a nearby metro of amenities without the hassles of big-city living.

We Need Your Help: Messaging Expansion & Integration

For the Waverly Welcome Home marketing campaign to be most successful, we need help from our businesses and community organizations. Using the consistent messages of Waverly Welcome Home will exponentially increase the exposure of Waverly and its quality of life to new audiences who may not be familiar with our community. Feel free to use prepared materials and messaging wherever possible in your own recruitment campaigns as appropriate.

Below are a few simple ways to use these resources effectively:

- Post your company's job openings on the job board using this link:
